Winnipeg MB R3B 1E2

Dear Mr. Sussman:

Personal Care Home (PCH) Standards Review – Facility Report

I am pleased to forward you the Standards Review Report for the PCH Standards Review conducted at The Saul and Claribel Simkin Centre on February 17, 2016. Attached you will find:

- the Standards Review Report; and
- an Action Plan and Status Update template for the facility.

You will note in the attached that an Action Plan and Status Update are required from the facility. We would request that the WRHA forward the Action Plan and Status Update from the facility to PCHStandardReviews@gov.mb.ca as it is completed or by the due date. The Action Plan is due April 25, 2016. The Status Update is due by June 27, 2016.

Once again, thank you and the WRHA for your ongoing contribution, participation and support in the PCH Standards Review process.

Sincerely,

Roxie Eyer
Director
